

One-of-a-kind upscale storage structures to complement the better home...  
—Our Carriage House Design

*For that much-needed  
storage space...*

*...but designed to look  
like a gracious  
carriage house.*

## *Providence* CARRIAGE HOUSE

*Shown above is a 12 x 28 Providence Carriage House with optional  
4 x 8 porch with arch-top openings and partial stone corner post.*

*(Featuring board 'n' batten siding with walnut stain, 28" x 25" arch-top windows, carriage doors with arch-top windows, optional single entry door, granite cobblestone; and green metal roof.)*

## Features:

*You'll never want to hide this structure in the back corner of your yard!*

### Select your preferred roof:

Metal roof  
(with a 40-year paint warranty)  
or lifetime architectural  
shingles.

### Rich-looking siding choices:

Classic board 'n' batten,  
available in 5 stain colors, or  
maintenance-free vinyl,  
available in 8 standard  
colors.

### Fully functioning arch-top windows.

Or, design it with square  
transom windows.  
Window sizes range from  
24" x 36" to 28" x 25."

A rare feature  
on a storage shed...

### ...hand-laid masonry!

The compliments will start here.  
We can help you select from  
a variety of unique kinds  
of brick or stone.

Reminiscent of  
elegant 18th century  
carriage house doors, these  
**double doors are 7 feet wide**  
to accommodate the modern  
riding mower.

The popular  
10 x 20 size like the one  
shown below will hold your  
riding mower, snow blower,  
four-wheeler, and  
storage boxes with  
room left over.

## All Providence Carriage Houses come with:

- Gable vents for better air circulation.
- Choice of metal roof (available in a wide variety of colors) or lifetime architectural shingles (available in 7 standard colors).
- Distinctive hand-crafted wood doors with choice of window design (square-top or arch-top windows).
- Choice of 24" x 36" or 28" x 25" square-top or arch-top window design.
- Choice of brick or stone in a variety of unique colors.
- A sturdy structure, handcrafted for a long life.
- Thousands of different possible combinations. Let us help you design your very own carriage house!

*The Carriage House originally gets its name from the out-buildings of large manors where owners stored their carriages.*

*Built and designed by skilled craftsmen, the Providence Carriage House takes you back to the 18th century with its unique barn door look, barn hinges, and various window options.*

*Add an instant room to your home in one afternoon without the high cost of building an addition!*

### *Storage Structure Workbook*

**We recommend answering these questions before your shed purchase:**

1. What will you be using your structure for?  
(Storage, workshop, home office, etc.)
2. How much square footage do you think you'll need?  
(Insider tip: Most people underestimate how much space they'll need).
3. Do you prefer vinyl, board 'n' batten, or cedar siding?
4. What roof style: metal or shingle?  
(See us about the color choices you have).
5. What trim color do you like?
6. If you chose vinyl siding, what color do you prefer?
7. What style of windows do you like?
